

Escape From Alacatz—Sat. Aug 28, Bodies Needed. This event has rapidly grown in fame to the point where we can now charge \$100 for the privilege of participating, as well as having Miller Brewing Co. sponsoring. Now the challenge is to run a blue chip triathlon and leave a good impression with all of our one-day guests from all over. This event will either benefit or hurt the entire Club, depending on how well we run it. So please answer the following call from Running Commissioner, Joe Oakes:
