

# Escape From Alcatraz

October 15, 1986

At 8:08 a.m. 27 single and six team triathletes entered the water off Alcatraz.

Weather conditions were better than expected. But tide conditions were poor: The bike portion was uneventful. The run portion was won by Jeff Gunderson for the singles and Mark Steinborn. Coincidentally they both had a time of 2 hours and 12 minutes.

Many thanks to all who helped. The triathletes, helpers and friends had a pasta dinner prepared by Uncle Herman and staff.
